

POSITION VACANT

SEWER AND WASTE SERVICES ENGINEER FULL TIME

The Opportunity

We are currently seeking a Sewer and Waste Services Engineer to join our regional Council in the Riverina area. This is a brand-new, full-time role.

What we have to offer:

As a valued member of our team, you'll receive the following benefits:

- A family-based culture with genuine and friendly people to work with
- Competitive salary and opportunity for salary progression
- 5 weeks annual leave and access to 6.5 weeks long service leave after 5 years of service
- Flexible work arrangements
- Learning and career development opportunities
- Allowance, overtime and call out penalties when required
- An 11.5% Council Superannuation contribution

What we are looking for in you

- An experienced Environmental Scientist or Civil Engineer or someone who is looking for a step up in their career.
- A positive mindset that can recognise and appreciate knowledge of current staff and implement new ways of doing things for the benefit of the community and Council.
- Someone who has natural management and leadership skills and is self-aware of their behaviours.
- Someone who can inspire a team by demonstrating leadership qualities and build a sustainable team for the future.
- Be willing to learn new skills in the role and accept that Council has some work to do in some areas and can adapt to this easily.
- Understand the importance of community in this role and be willing to build strong relationships with the community and external stakeholders.

How you can apply:

Before applying, please review the POSITION DESCRIPTION.

Please address the questions on the application page on the website <https://www.blandshire.nsw.gov.au/your-council/careers> . When responding to the questions, please include detailed relevant examples of your skills and experience.

You'll have the opportunity to attach your cover letter and resume.

For more information regarding the Sewer and Waste Engineer position, please contact Ray Graham, Director of Technical Services on (02) 6972 2266.
